RE: Mannon Borrosco; Date of Loss:08/22/08; Acct #: Unknown

To Whom It May Concern:

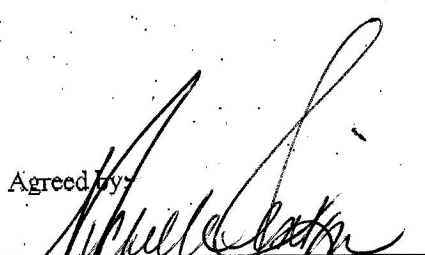

As you know, this law firm represents the above-referenced patient in a liability claim. We have concluded our negotiations with the relevant parties and have achieved a tentative compromise settlement agreement. However, in order to finalize a compromise of the instant claim, we must respectfully request a reduction of our client's medical billing, including your total outstanding bill. In an effort to avoid the **uncertainty, cost, and delay** of litigation, we propose that you accept the sum of \$2,000.00 in full and final satisfaction of your total outstanding medical of \$3,533.00.

Please indicate your acceptance of this compromise by signing below and returning this signed agreement to us. Thank you again for your attention to this matter, as well as your cooperation. Please call with any questions.

Sincerely,

J. Stephen Crim II
Attorney at Law
